NOTE TO: Director of Central Intelligence  
Deputy Director of Central Intelligence

FROM : Deputy Director for Intelligence

SUBJECT: [redacted] and Academic Freedom

25X1

1. At the DCI's suggestion, OSWR had arranged a seminar with [redacted] here at headquarters on 3 February to discuss The DCI and I, among others, were to participate.

25X1

2. [redacted] called this morning to "postpone" -- read cancel -- his participation in the seminar. He did this because one of the deans [redacted] is requiring now that all professors formally disclose any contact with CIA and in light of current anti-CIA activities on campus, [redacted] chose not to come. Under the circumstances it is hard for me to blame him too much.

3. I report this to you in some detail just to let you know that our efforts to expand contacts with the academic community are not yet free of past prejudices and problems. I can only harbor the hope that [redacted] dean be deeply interested in a program some day for which the DDI is the only possible source for funding.
